Panchshil Realty has become the first and only real estate

**Operation Parquat** was the code name for the British military operation to recapture the island of South Georgia from Argentine military control in April 1982 at the start of the Falklands War. The operation, a subsidiary of the main Operation Corporate—recapture of the Falkland Islands from Argentina—was successful, leading to the island being restored to British control on 25 April 1982.

Further, British soldiers and officials tended to look down on American colonists and treat them poorly. This change in events led many colonists to wish for a return to the period of salutary neglect and to question their lack of representation in Parliament. With each act by Parliament, opposition grew to the British control.
